Boise, Idaho, May 12, 1954

Union Night Mixer of 1953-54 To Be Held Friday Nite

Two members of the Union Nite committee are shown in the spring sunshine. They are Bunny Kane and Helen McDald.

With the sponsoring of the last Union Nite dance of the year Friday evening, the Union Nite committee, consisting of only three members, will wind up its season of service to BJC dance-lovers.

Committee members are Bunny Kane, chairman, Delores Hanson and Carol Berry. These three girls have been in charge of arrangements for all Union Nites this year. The mixers are fill-ins for week-ends without other activities on the campus agenda.

Since Friday nite's dance will be the last of the year, all student body members are urged to attend. The committee hopes that this will be the best attended Union Nite of the year... a suitable end to a year of fun.

Spanish Dinner Held

President and Mrs. Eugene B. Chaffee were hosts Thursday evening to the Spanish speaking students who prepared the dinner of special Spanish foods.

In this group of students were: Francesca Egurrola, Margo Lindemann and Salvador Falla.

Special guests present were: Mrs. Genevieve Turnipseed, Mr. and Mrs. Art Cramer and Mr. and Mrs. W. L. Gottenberg.

Class Takes Field Trip

Last Tuesday members of the geology class took an all-day field trip to the Bruneau area. The day was spent in looking over rock formations and looking for fossils.

Accompanying the class were instructor Fletcher Pearce, Mr. Rodenbaugh, Idaho geologist, and Mr. Stewart, a local fossil collector.

Profs Beat Vets

Age proved its worth once more to the young shavers as the faculty swamped the Esquires again this time with a softball score of 23-8. The game was played on the Bronco diamond Tuesday afternoon.

Fireball Spulnik had the monopoly on faculty pitching against Weisgerber, Warner and Yonek for the young vets.

First inning casualties were reported for three faculty members: Rowe, Pehlke and Rose, who managed to last through the game only on their brute strength and loyalty to fellow team members.

Esquire members state that they will continue to challenge the faculty until they manage to come out victorious once. Bob Rakozy will be a probable nomination for one of the umpires by the vets organization.

Little Sisters Asked To Spend Weekend In Morrison Hall

Little sisters of Morrison hall girls have been invited to visit in the dormitory this weekend.

The Little Sister weekend is an annual event, during which the college girls entertain their younger sisters or friends and give them a preview of what college life in a dorm will be like.

This year's plans for the little sisters include attendance at the Union Nite dance and a picnic in Julia Davis park.

Graduates, Attention!

Cap and gown measurements are being taken every afternoon this week in room 118. This is the last week graduates can be measured, so those who haven't taken the time should do so at once.

Wednesday, May 19, all sophomores who intend to graduate are to meet in room 110 at 12:30 for instruction on graduation.

1954 Annuals To Be Issued Wednesday

The 1954 Les Bois will be issued in room 118 beginning Wednesday, May 19, at 10:00 a.m. to those students who have their picture in it. There will be about 100 books available each day.

Beginning Thursday there will be a limited number for sale on a first-come, first-served basis to students who do not have their pictures in it. Prices are \$1.50 to those having ASB tickets and \$3.00 to everyone else.

RECITAL SET

Mrs. Lucille Forter has announced that the music department will hold its spring formal recital in the auditorium on May 21.

BJC's Hopes Hang In Balance

Yesterday, eligible voters of Boise Junior College district went to the polls to vote on the question of granting the board of trustees authority to issue bonds in the amount of \$990,000 to build a science building, a physical education building and equip both.

A one mill levy is needed to finance this bond issue, which means that the average home will have an increase of \$2 in taxes.

Based on the increased enrollments during the past few years and the estimates compiled by the high school, the administration is quite certain that the freshman class next year will exceed 550 students. It is very probable our student body next fall will approach 900 and if so there are several spots in which we shall feel crowded.

President Chaffee has indicated some of these. All science classes are crowded for space. By relieving the pinch for space in the sciences, more room will be available on the second floor of the administration building for library expansion. At present that department is crowded for stack room space. Likewise, the business department, which is growing out of bounds, would have space across the corridor in both the present home economics and physics quarters.

He pointed out also the acute situation in the physical education department. Present facilities are inadequate to do the job needed. All colleges and universities require P.E. for freshmen and sophomores.

At the present time, May 11, results of the election are unknown. In order to pass, two-thirds of those voting were required in the bonds' favor. How many BJC parents went to the polls?

Drama Department To End Season With Presentation of One-Act Plays Thursday

BJC Graduate Ends Pre-Flight Training

Recently graduated from the Naval School, Pre-Flight, is Naval Aviation Cadet Sherman R. Snyder, son of Mr. and Mrs. R. L. Snyder of 1014 Michigan, Boise.

Sherman attended Boise Junior College from 1951 to 1953. He was I.K. Duke 1st semester last year and graduated from here last spring.

He is now assigned to the U. S. Naval Auxiliary Air Station, Whiting Field, Milton, Florida, where he is engaged in primary flight training.

Chairman Chosen

Albert Erquigala was selected by the Inter-Faith Council to serve as temporary chairman of that organization until the fall meeting. In making the announcement, Mr. Baker said no permanent officers are elected for this organization in the spring, since their officers depend on the representatives sent from the various churches.

Erquigala is a member of the Newman club and hails from Molokai.

The dramatic department's final offering of the year will occur Thursday night when the play production class presents three one-act plays.

These plays will be presented in the Studio theatre in T-1. No admittance will be charged. The first play will begin at 8 p.m.

All three plays are produced and directed by student members of the class. The plays are "Western Night" directed by Don Maypole; "If Men Played Cards as Women Do" directed by Kenneth Moore, and "The Happy Hour" directed by Nancy Wanlace and Mrs. Betty Van Derck.

"Goat Show" Held

Delta Psi Omega, national honor society for junior college dramatists, held a part of its initiation in front of the Ad building Thursday noon.

The "Goat Day" activities included nursery rhyme drama, with pledges antcipating.

Drama students are selected for membership on the basis of their past work in dramatics.

New members are Bunny Kane, Ruthanne Fountain, Shirley Drayton, Burl Pipkin, Ernie Taylor, Bill Huff, George Smith, Martin Sielaff and Jack Britton.

Dave Ogil examines Don Maypole as Bill Huff and Marvin Gardner look on. The four will appear Thursday night in the dramatic department's presentation of three one-act plays.

NOW... Is the Final Time

Well, sophs, are you on the list? And if you are, are you sure you'll stay? If so on both counts, read no further. If not...

The list, of course, is the tentative list of sophomores who will graduate from these hallowed halls this spring. The students listed are those who have enough credits, providing their GPA's are up to par.

What a blow 't would be not to graduate after planning to do so. For those who aren't safe grade-point-wise, there are still a couple of weeks left in which to bring some grades up over the border line. Those weeks are important ones, too... for preparing for and taking final exams.

Fun is fine (especially when spring fever has its grip on you), but a few weeks of irresponsibility aren't worth another year as a sophomore.

Remember, if you're a border-line case, your last chance is now at hand. So....?

NOTE: Measurements are still being taken for cap and gowns in room 118.

TIDBITS

Thursday evening French students will meet at Municipal park for a picnic and a few games of softball.

Another picnic on the agenda is the choir's. To date (May 7), time and place have not been set.

Usher: Can you see the game from your seat, sir?

Pi Sig: Hell, no. Where do you think my eyes are?

New Valkyrie officers were elected at the club's formal initiation Thursday evening. Mona Johnson was chosen president; Mireille Navarro, vice-president-treasurer; Joan Armstrong, secretary; Dorothy Asmussen, historian, and Jo Coffin, Valkyrie of the day.

Dear Editor:

We have not yet received payment for the printing of last week's Roundup.

According to contract, if we are not paid within one week, we are entitled to keep the former editor you left as security. We are therefore giving you a one month's extension, as he is quite intolerable.

Mountain States Press.

Dear Printers:

You said it! Keep him.

Shirley.

Driscoll hall's next social event is a Sunday School picnic to be held Saturday p.m.

Wishful Thinking
Or—"Small Loss"

"Miss Preeby."

"Yes?"

"How much longer do I have to stay after school?"

"You'll stay until four o'clock."

"Do I have to stay seated in the same spot?"

"Yes, Willy. Now don't bother me until I finish my papers."

"Miss Preeby."

"Hmmmnnnn?"

"Miss Preeby."

"Yes: What do you want now?"

"Can I get a drink of water?"

"No. Sit still awhile."

"All right. (I wish you would turn into an ant or something.)"

"Willy, stop muttering under your breath."

"All right. Miss Preeby."

"Yes?"

"I think you are turning into an ant."

"Don't talk foolishness, Willy."

"But you look awful funny, and you've gotten smaller in the last few seconds."

"Willy, I'm going to send a letter to your mother."

"Miss Preeby, you're getting to look funny even faster now."

"That will be enough of..."

"Miss Preeby!"

BJS's Bronco Roundup of the Air Soon To End Season

Shown at broadcast time in the KGEM studio are staffers of BJC's radio show, the Bronco Roundup. Left to right, they are: Dennis Law, pianist and vocalist; Ed Grabner, news editor; Bob Stolley, editor-announcer; and Clare White, sports editor.

Another BJC activity which is about to wind up its year is the Bronco Roundup, the school's radio show.

The program is presented each Saturday evening at 8:00 over station KGEM. The staff has worked hard to bring the students the news, sidelights and talent through the radio medium and to let the outside world know just what goes on within these brick walls.

Bob Stolley and his crew deserve a lot of credit for performing well a rather thankless but beneficial service to the school.

Disc Dope

By "Pip"

Frank Chacksfield, who made the cutting of "Ebb Tide," is back again with his arrangement of "Until Sunrise." For those fans who can remember Fats Waller, Ted Heath, the man that used to be heard at the console of the organ, now has an orchestra and has cut an album in tribute to the great Fats. Mr. Heath, an Englishman, will be in there running competition with Mantovani now.

The other day I heard something that will stop you, too, I think. Noro Morales has done "Me and My Shadow" to the beat of the mambo. Some other instrumentals are: "Seems Like Old Times" and "Young At Heart," both done by Billy May and his fine band.

For the fans that like vocal

"Willy Simpson! What are you doing sitting in this classroom all by yourself?"

"Nothing, Mr. Baxter."

"Nothing? I think you had better come to my office."

"All right, Mr. Baxter. — Mr. Baxter."

"Yes."

"You just stepped on Miss Preeby."

— Stolen from the P. U. Stinker, who swiped it from The Scop.

Mr. C. Griffith Bratt, head of the BJC music department, is pictured at the school's organ.

Bratt To Present Final Concert In
University of Idaho Dedicatory Series

Tomorrow evening, Mr. C. Griffith Bratt, head of BJC's music department, will present the final concert in a series of three dedicatory recitals in the new building at the University of Idaho.

It was announced by Prof. M. Macklin, head of the University music department, that Bratt has been recitalist at both national and regional conventions of the American Guild of Organists. He would give his recital Wednesday evening on the new \$30,000 organ.

Among the selections Mr. Bratt will play will be Trumpet Concerto; Fugue in D Major; Chorale Preludes, Bach; Symphony No. 1, Schumann, and a fantasia by Mr. Bratt's own arrangement. An improvisation at the organ by Mr. Bratt will conclude the program.

Following the recital, a reception at President Buchanan's home will honor both the recitalist and the organ. Mr. Bratt will give his recital Wednesday evening on the new \$30,000 organ.

Mr. Bratt, a graduate of the Peabody Conservatory in Baltimore, Md., is the only organist from that conservatory to have both the Organ Diploma and the Master of Music degree.

He has seven organ recitals from the Boise area, plus two at Jr. College students, and will give a half-hour recital each Sunday along with the devotionals each Wednesday evening.

When asked for his opinion of the situation, Mr. Bratt said, "I would like only to see nothing to do but go on."

Executive Board Meets

The Student Executive Board met last Thursday evening with representatives of most of the campus clubs. The clubs were given information on the management of Bronco stadium next fall. The game to be played September 18 was stressed because school will not yet be in session.

On May 20, the board will meet to swear in the new student body officers.

Saga of Old West

The following TV scenario was left in the Roundup office. No one wanted it, so here it is.

THE CRISCO KID

The story is about the robbin' hood of the old west, the Crisco Kid. The Crisco Kid is a greaser. He has a partner named Panchovy. Panchovy is a salty character.

One day Crisco and Panchovy are riding across the plains when they find the body of Pie-Eyed Pete. Pie-Eyed is half shot. Using a formula he got from the Indians, Panchovy makes a salve from some some herbs. (Herb is Panchovy's brother.) Putting this Panchovy paste on his wounds, Crisco and Panchovy take Pie-Eyed to the doctor.

The nurse, Miss Anne, thinks Crisco shot Pete. She hates Crisco for being an outlaw, but really loves him. Miss Anne is beautiful.

Crisco investigates the shooting of Pete. No one knows where this gang of outlaws disappears to or who their leader is. Meanwhile, Pete dies. Crisco is thrown in jail for his murder. Crisco is real slippery, though, and escapes.

Crisco discovers that the leader of the gang is "Gopher" Yurgunn. When he goes to Gopher's house, he discovers that Miss Anne is Gopher's daughter. She refuses to believe that her father is an outlaw. Her father enters. (Ed note: The author apparently had Victor Mature in mind for this part.) He is a big hunk of mature. (Printer: For the third time, that is a "T".) He confesses. He is put in jail. Crisco and Panchovy ride away into the desert.

"Tadpole" Sets Thoughts To Verse

Here is our second student offering. Once more we invite offerings from the student body.

THE PATIENT ONE

By Tadpole

If all women were as fair as you,
If all their eyes were just as blue,
Then you would be no trouble to me.

Because you, I could turn any-
where and see.

You see fit to play with me much,
Though I am not deserving of any such.

You take advantage of me in every way.

But I'm still hoping you'll unfreeze someday.

I dated you, only last night,
I treated you as I thought right.

You saw fit to spurn my advances.

Why hope when one has no chances?

I have no false illusions about myself.

But I'm not one to sit idly on the shelf.

I'm a man of action, fire and blood,
And not one to be pushed deeper

Social committee members will wind up a busy year with plans for the graduation dance. Four members of the committee are Donna White, Leone Sweany, chairman, Jim Wells and Beverly Burwell.

Social Committee Plans Last School Dance of 1953-54

"Goat Week Show" Staged By Initiates

Early arrivals to their one o'clock classes last Thursday were mildly surprised to find the main entrance to the ad building re-sounding to a hot tune played by "Little Boy Blue" George Smith. After its musical opening, the show continued with biographical sketches acted out by such person-ages as "Little Miss Muffet," "Jack Be Numbie," and "Jack" with his pal of water.

Goatmaster Don Maypole explained that these were all candidates for initiation into Delta Psi Omega, national honorary dramatic society. The "Goat Week Show" is planned to become an integral part of the ceremony.

The show ended with the cast singing "Heart of My Heart." Members who didn't know that song sang anything they knew. The other candidates were Ruthanne Fountain, Pat Brayton, Ernie Taylor, Marty Sclaff, Bill Huff and Jack Britton.

The Delta Psi initiation took place last night in the Studio theatre. Mr. and Mrs. Merrill Hansen gave a reception at their one-room shack afterward.

And then there was the guy who had a hobby of collecting stones and putting them in his bathroom. He had rocks in his head.

He: Do you pet with the lights on or off?

She: Yes.

into the mud,
To be met halfway is all I desire.
It takes a spark to start a fire.
The fire, unattended, may soon go out.

But rekindled, it will go on, no doubt.

To hit my head against a stone wall.

Without any visible results at all—
There I do not differ from the rest.

Without reward, my work is not its best.

It's said that all things come to those who wait.

All things; whether sooner or late.
That may be truth, but I think this,

Just how long can one wait for a kiss?

Fun Group Formed

Two weeks ago a new organization was initiated here on the BJ campus. At a meeting Monday noon in the Union, Doyle Nelson set forth the objectives of this group.

The purpose is to have fun, and in order for more people to have more fun, a certain amount of organization seemed desirable. There are no dues, and no officers, but all members have to follow the basic rules: At no time will anything be done to hurt the organization. Everyone must get along with everyone else during club functions. On no occasion will alcoholic beverages be present.

The group is not open to BJ students only. Anyone willing to abide by the rules is welcome. Steps are now under way to extend it to the high school and Saint Teresa's.

They hope to be able to have one party a week. The first meeting was a swimming party and weiner roast at Givens' Hot Springs. Thirty to forty people attended. Chaperones were Bunny Kane's sister and brother-in-law.

Where are you going, daughter?
Downstairs to get some water.
In your nightgown?
No, in a pitcher.

Responsibility for planning and directing all date dances sponsored by the student body falls upon the social committee. Mrs. Burke acts as advisor to this group, which this year was composed of Leone Sweany, chairman, and Jim Wells, Donna White and Beverly Burwell.

Their first step in planning a dance is to select a general chairman and then choose the committee heads. From this point on, they serve in an advisory capacity as a steering committee.

This year the social committee has sponsored the Homecoming dance, a semi-formal affair; "Roman Holiday," an informal dance; and two formals, the Christmas Alumni dance, and the Spring Formal. Their last dance, and incidentally, the last dance of the year, is the Graduation Ball, to be presented May 29. The general chairman for this dance is Jeanne Newton.

Ribsters Dictionary

Alcoholic: A sufferer from the Bourbonic plague.

Paradox: Any two doctors seen together.

Politician: A man who approaches every problem with an open mouth.

Smithereens: Little pieces of any-one named Smith.

Home town: The place where people wonder how you ever got as far as you did.

LITTLE MAN ON CAMPUS

by Dick Bibler

"Thank goodness it's Friday!"

BJC Places Fourth In Mee

Sports Telemarks

By Howard Barton

A new sport has been introduced to BJC during the last week. It is known as, if I can run faster than all of you guys you won't be able to dunk me in the river. If you would like to know more concerning the club ask the members of Driscoll hall. One Neophyte Fred Miklancic, put up a good fight but was initiated anyway. Seems a few gals got into the club, too.

Another new club was founded two weeks ago during noon hour by three ski wolves on campus. The name? You figure it out if you can—initials are S.F.T.A.O.T. S.K.O.T.F.R.O.A.P.S.U.S. H.H.

Members are reminded to attend the meeting this afternoon to discuss the August project in Chile.

Skip Urban's baby elephant finally died, poor thing. The trunk fell off due to jungle rot, he told me.

Credit where it is due—Fred Allen gets one of the votes this week. Anyone attending ball games has noticed Fred does all the catching for the Broncos and a darn swell job of it, too. He may not be top man percentage-wise when it comes to hitting the ole horse hide but he has gotten a few homers these past few weeks, and he is a lot of encouragement to the pitchers when they get into a hole with the batter.

The other vote goes to Wally Brown, center fielder on the Bronco nine. Wally is the percentage boss on the team and crack center fielder. He can field the ball well and surprises opposition with the long throw-ins he cuts them off with. He has a weak knee, but so far no accidents—and we hope he doesn't have any.

Golfing Offered

BJC students are now given an opportunity to learn or improve upon golfing.

Through cooperation of Plantation Golf Pro Ernie Tucker, P.E. students have been offered the opportunity to pick up physical ed credits at no cost to participants.

Necessary equipment has been made available by Mr. Tucker.

If you've ever wondered why a violin squeaks, just consider that you draw the tail of a horse over the intestines of a cat.

A man is master of his home from birth through training pants.

Whitman Cops First In Invitational

Participating in the third annual Whitman Invitational track meet in Walla Walla Saturday, five college teams toppled 10 previous meet records.

Of the 10 smashed records, Whitman accounted for six, Whitworth three, and BJC one.

Whitworth's Bob Ward set new records in the shot put, discus and javelin, and added a second in the pole vault for 18 points. Dave Klinker, of Whitman, took individual honors with 18½ new marks in both high hurdles, a tie for first place in the high jump, second place in the broad jump, and participation on the winning 880 relay quartet.

BJC Broncos Split Double Bill with NNC

A fired up Nampa Nazarene baseball nine took the first game of a doubleheader with BJC at Nampa last Tuesday, 2-1.

Jack Newman, the Bronco pitcher, held the Crusaders to three hits as he did in two previous games, and the Bronco field played errorless ball. The Crusaders got their two runs in the fourth inning by stealing their way to third and taking home on one of the three safeties.

BJC had started off by scoring one in the first inning, but was unable to reach home from that point on. Newman, besides striking out 10 Crusaders, got four of the nine Bronco hits.

Second game of the doubleheader was taken by the Broncos 7-1 behind the pitching of Dave (Gopher ball) MacFadden who knocked out the first NNC batter with his first pitch. Dave felt bad about crowning the lad but this didn't stop him from pitching a two-hitter and holding the Crusaders scoreless until the bottom of the fifth inning when one NNC reached home.

Behind the seven Bronco hits and three NNC errors BJC gathered themselves three runs in the third inning and four runs in the sixth. The Bronco field had another perfect game, committing no errors.

SPUDNUT SHOP

824 Bannock

"FOR THE BEST TREAT IN TOWN"

BJC's Don White broke a previous meet record by running the 100 in 10.1.

Points for individual college scores were as follows: Whitman, 66½; Whitworth, 58½; Eastern Oregon, 27½; BJC, 11½; and Yakima Junior College, 7½.

Faculty Downs Vets 16-15 In Softball

By Howard Barton

A softball game was played yeah, man, I didn't think they could do it! "We wuz robbed," say the vets. Anyway, a softball game between the vets of the Korean Police Action and the old vets of World War II or faculty members, was seen a week ago Monday on the BJC diamond.

The old vets proved they were still young at heart by taking the game 16-15. Major factors behind their winning were the pitching of our young chemistry professor Doc Spulnik and psychology prof Doc Pehlke; the fine hitting of ski and biology boss Doc Ober; sign-the-paper-vet Howard Rowe and coach Lyle Smith; the fielding of economics chief Rose; and the excellent base hiding of A. Chatburn.

Umpiring with his famous vocabulary backing him up was Doc Schwartz. C. G. Bratt aroused a little confusion among the pros when he appeared with his organ but the matter was straightened out when speech boss Wennstrom talked him into putting it back.

On the vets' side of the game, some got their points and rotated to the bench for rest pretty fast. There were some in a two point zone because they played most of the game. Old one pointer Weisgerber finally rotated in the sixth inning of the seven-inning contest. George Merritt went on his five-day R. & R. to Japan and didn't come back. He must have found a nice warm bath tub. Straw boss S. Urban brought his baby elephant for the vets' mascot.

Coach Lyle Smith gives Jim Sprague some pointers on his batting stance while LaVonte Hochstrasser, Dewey Hansen and Mel look on.

Broncs Split Bill With EOCE Saturday

Boise's Broncos split a twin day-night bill with Eastern Oregon College of Education at LaGrande Saturday.

Hill, MacFadden, and Pfost combined efforts in the afternoon game but the Broncos came out on the short end of a 6-1 score.

Boise scored once in the second inning, two in the third and once in the fourth. Eastern Oregon's big score came in the sixth when three men came across the plate to score. They had previously scored singly in the second and fourth innings.

Boise outlasted their hosts in this game but could not muster enough runs to win.

In the second game played under the lights, Jack Newman tied the rubber to hold a shutout game. Jack struck out 17 batters in the nine-inning contest, to win 17 to 0.

The second game found Boise scoring in the first, two in the second, three in the sixth, two in the seventh, and three in the eighth and ninth innings. Boise collected 20 hits against three for the Broncos.

The girl who swears she has never been kissed is just swearing period.

Music Camp To Be Conducted Here

Henri Ternianka, leader of famous Paganini String Quartet and eminent violinist, will be on the campus to conduct the summer camp for string players July 19-19.

Last year this camp was conducted at Payette Lake, but was decided to hold it on the campus, as well as his violin recital which will be presented Monday evening, July 19.

Mr. Ternianka conducts the classes for which a charge is made. If a student who has eight master classes and the opportunity to attend the four vocal recitals, the total fee is \$100.

There will also be the opportunity for organized groups to play chamber music. He advised he would like such groups to be already organized and to play their own music. Mr. Ternianka has played in all the major cities of Europe as well as our country and has conducted master classes at Aspen Festival, the La Jolla Musical Academy, the West, and Mills College. His accompanist will be the pianist, Eda Schlatter who recently returned from an extensive tour of Europe. She will accept a limited number of piano students.
